

Oak Creek Village Yard of the Month for May 2013

Congratulations!

Congratulations to Sandye and Tom Cundiff of 15511 Valley Bend for this charming yard filled with fat little green globes and bright red petunias and begonias. It makes you smile when you go by. Please do!

HELPFUL NUMBERS

Vacation Watch - Cypresswood Annex
281/376-2997 (Forms 713/221-6000)

~
Street Light Out ~ Centerpoint 713/207-2222
(Be sure to have the six-digit ID# off the pole.)

UTILITIES

Post Office - Cornerstone 281/444-1355
Electricity - Reliant Energy 713/207-7777
Gas - Centerpoint Energy 713/659-2111
Trash - J&S Trash Services (pick-up schedule) ... 713/635-2500

OCV has a heavy trash pick up day EVERY Friday.
On Fridays, J&S does not have as much trash to pick up as on Tuesdays so that is when they will pick up "one" heavy trash type item like bundled up tree branches, refrigerators, stoves, hot water heaters, dishwashers, etc. If a homeowner has multiple heavy trash type items, the homeowner will need to spread them out over multiple Fridays or a special fee can be paid to have multiple heavy items all picked up on a single Friday.

If you need to dispose of any hazardous material please visit the website below for dates and locations:

Hazardous Waste Disposal
www.CleanWaterClearChoice.org

Telephone - AT&T 800/246-8464
Water & Sewage - Bammel Utility District 281/376-8802

Recycling

Friday is your only recycle day. Paper, magazines, books, boxes (no debris inside), plastic containers and aluminum containers will be picked up, NO GLASS PLEASE.

OCV PRESIDENT'S LETTER

Dear Friends and Neighbors,

This month, I'd like to re-visit garbage. I had a call from a resident who said that when he left his garbage at his back door, they only picked up part of it. Hmmmm, I replied. It seems he had household trash in some of the cans and yard waste in others, and that's the problem. They won't pick up yard stuff at the back door. You're supposed to put that in plastic bags and carry it down to the street the night before trash day, and when they pick it up, there won't be any cans left over rolling around the street. However, if you insist on putting your yard stuff in trash cans, then, yes, you will have to carry it down to the street and we will have to suffer with the ugly cans. I think you can see why they don't pick up yard stuff at the back door. There's so much of it that it would slow down their pick-up drastically. Also, I noticed that one resident had left a whole tree in a pile on the curb. I think most of us know that they only pick up branches, and they must be tied in bundles no longer than 4 feet. I don't know what you do with the trunk. I'd hope the people who cut it down would take it away. While I'm on the subject of garbage, the bill you receive somewhere in the middle of June for the next three months will be a little bit lower. This is because we have re-negotiated our contract with them. I hope you are happy about this, and might write "Thank you" on your check.

My nag of the month is really just an observation. There are about 650 homes in the Village. Do you know how many people are participating in keeping it running? Not counting those who come out and help on special occasions, like Christmas and Fourth of July, for which we are very grateful and thank them very much, the number is about 12. Where are the rest of you? This is not the city, and no one is paid to run it. Come to the meeting and ask how you can help. We need everyone to participate, not just those who have lived here a long time. How-some-ever, I will...

See you around the neighborhood,

Sharon Kuester, prez

Congratulations 2013 Graduates

NOW GO OUT AND CONQUER THE WORLD!

Nathalie Guerrero

Nathalie, daughter of Galvarino and Elizabeth Guerrero has graduated as a Lawyer last May 11, 2013 at the University of Tulsa, OK. She also got a bachelor of arts degree in English and French at the University of Texas in 2009. She has been the secretary, PAW Law, President and Vice President of the Hispanic Law Students Association, Secretary of

the International Law Students Association and Secretary of Women's Law Caucus. She was awarded by the National Association of Women Judges for her strong commitment to social justice and scholastic achievement.

Congratulations to our daughter, **Kimberly Marie Linehan.**

She has graduated in the top 10% of her class from Westfield High School. While maintaining an excellent GPA, she was President of the Theater Society for 3 years, Historian for the National Honor Society, Vice President of the Senior Class and a member of both the Student Council and the National Association of

High School Scholars. She is also a member of the International Thespian Society and has qualified to advance to the International Thespian Festival this summer to compete in duet acting.

She has been accepted to Stephen F. Austin State University where she will continue her Theatre Studies. She will major in Theatre with a teaching certification. Her goal is to be a high school theatre director.

We are very proud of Kimberly and know that she will be successful in all her future endeavors.

Oak Creek Village Security Stats ~ APRIL 2013 Harris County Sheriff's Office Patrol Bureau

Summer is here again, I hope everyone is looking forward to it. With some of the recent drowning tragedies, I wanted to run the following article again in hopes that it might prevent another incident.

As evident by recent news articles we have had several tragic accidents involving children and swimming pools. This month I'd like to once again address some of the dangers surrounding not only residential and public pools, but our many coastal waters and lakes.

Swimming is among the most enjoyable and beneficial activities in a kid's life. It's also a very dangerous activity. Statistics show that every day about ten people die from unintentional drowning. Of these, two will be children aged 14 or younger. Drowning is the sixth leading cause of unintentional injury death for people of all ages, and the second leading cause of death for children ages 1 to 14 years. For every child who dies from drowning, another four received emergency department care for nonfatal submersion injuries. Nonfatal drowning's can cause brain damage that may result in long-term disabilities including memory problems, learning disabilities, and permanent loss of basic functions.

Statistics also show that 80% of the drowning deaths occur between May and September. The end of the school year is here and families are preparing for the seasonal water related activities. While speaking with our local YMCA, they urge swim safety for children and encourage families to be vigilant as they head toward the water.

Some things to think about:

- In the time it takes to cross a room or pool deck for a towel, (which is about 10 seconds), a child can be submerged.
- In the time it takes to answer a phone, (about 2 minutes), a child can lose consciousness.
- In the time it takes to answer the door, (about 4 to 6 minutes), a submerged child can sustain permanent brain damage.
- Children can drown silently and quickly, in a matter of seconds. Adults and parents in some of these cases say they were only distracted for a short time. Never leave a child alone near a pool, spa, bathtub, toilet, bucket or any standing water in which a child's nose or mouth may be submerged.
- **One inch of water that cover's a child's mouth and nose can cause drowning.**
- Don't assume that someone else is watching the child.

OAK CREEK VILLAGE COMMUNITY ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES

MAY 14, 2013

The Meeting was called to order at 7:10 p.m. by President Sharon Kuester. Members present were Sharon, Lloyd Bratton, Elizabeth Davis, A. J. Salinas and Jon Whisler. Residents attending were Veronica Villegas and Ron Halk.

Your board voted 6 to 1 to keep J & S Trash Services at work in Oak Creek Village. Beginning in July your rates from J & S will be less.

REPORTS

Maintenance –

Sharon Kuester read Malcolm Stonehouse's report in his absence. The report was approved.

Security –

Sheriff's report accepted. A discussion about extra security for the end of the Spring School District followed. A motion was made and approved to add \$560.00 for 2 extra deputies to cover May 31st and June 1st. Report approved.

Recreation –

Written report read and approved. Our new bulletin board is up on the front of the clubhouse. Elizabeth also reported some swim team members playing in the park and damaging equipment.

Deed Restrictions –

Oral report accepted.

Treasury –

Written reports read and approved. A motion was made to set aside \$200.00 for Elizabeth's 4TH OF JULY FESTIVITIES. Motion carried.

OLD BUSINESS

Dan Linehan has our signs ready. Keep an eye out!

Meeting Adjourned at 8:15 p.m.

Respectfully submitted,

Meri Lou Fry, Secretary

Check out more on the web at:

OakCreekVillage.org

Stay informed, stay connected.

OAK CREEK VILLAGE COMMUNITY ASSOCIATION MAINTENANCE REPORT

MAY 2013

- 1) There was one E-mail this month requesting a contact to fit a door. I referred the resident to the "Handyman" who advertises in our newsletter.
- 2) A new wind screen for the tennis court nearest the club house has been ordered and will be erected later on in May. This will mean we will have replaced all of the wind damaged screens.
- 3) If you have read the poem the "Rhyme of the Ancient Mariner" then you'll know what a relief it was to eventually get the drinking fountain on the pool storage building adjusted. I have to thank Ron Halk for his two days of hard work in helping to finish it before the pool opened.
- 4) We've had a rash of "lock" thefts and a new lock has had to be purchased for the tennis court which cost nearly \$100 so that all keys would fit the replacement. To avoid future theft, Tim Cooley has agreed to weld the chain to the lock and the fence post.
- 5) A further lock had to be purchased for the chain across the greenbelt as this was stolen as well. What's going on with these locks??!
- 6) If there is a Scout out there that would like to help with replacing the rope on the playground climbing net, then please let me know as there are a number of knots that would be a good exercise for them to practice their expertise.

TIP OF THE MONTH

A bit of plagiarism here and I thought it was worth repeating.

Thank you Marilyn

Subject: A tip for residents

Malcolm, I want to tell you about a product that our residents should know about that is much easier than pressure washing siding, brick, driveways, decks, roofs and anything else you would normally pressure wash. It is called Wet and Forget and can be found at hardware stores and Costco. I haven't yet seen it at Home Depot or Lowes but regular hardware stores carry it. It is very concentrated and is mixed with water in a sprayer. You just spray it on and forget it and it will kill mold & mildew and the green moss that grows on brick etc. There are hundreds of houses in OCV that could use a good spraying. You can go online and read about it. It is not expensive considering how concentrated it is and how little it takes.

Hope you find this helpful.

Marilyn Bogle

MALCOLM STONEHOUSE
OCV MAINTENANCE

OAK CREEK VILLAGE COMMUNITY ASSOCIATION TREASURER'S REPORT

May 14, 2013

Balance Sheet

The March 31st, 2013 balance sheet shows \$301,796 in the bank.

Statement of Revenue & Expense

For March 2013, revenue was above budget by \$414 primarily due to higher Transfer Fee Income. Expenses were below budget by \$155 with the savings mainly being across all expense lines.

Transaction report

We had our normal operating expenses in the month of March.

Additional Notes:

We have sent the updated top 14 delinquent accounts to the lawyer for a follow-up demand letter. We have had two contact the lawyer and arrange to start making payments to clear up their account.

If you have personal items for sale, please submit your classified ad to Diana Baskett via email to Di@DianaBaskett.com, or deliver them to 6211 Hickorycrest Drive, Spring, Texas 77389.

Classified advertisements are only available to residents at no cost, and are not for business purposes.

Restrictions do apply, call 281/755-1959 for details.

Your Oak Creek Village Garden Club will not hold meetings for the months of June and July so that we may plan our 2013 - 2014 meetings and programs. We will return with our annual Kick-off Coffee in August (on the 4th Tuesday, as usual). Watch for our announcement in the August newsletter. Would you like to join us? We welcome new members...with questions and ideas. Look up our officers in the newsletter and ask us.

Security News®

Here are several important precautionary measures from the local YMCA that should be taken to ensure children's safety around water.

- Create layers of protection between the water and your children: Proper fencing and gates around pools, sturdy pool coverings, install alarms on doors and windows that lead to the pool and have rescue equipment mounted by the pool.
- Proper parental or adult supervision at all times. Provide "reach supervision" - always be within arm's reach of a child who isn't an experienced swimmer.
- When there are several adults present and children are swimming, designate an "on-duty" adult to ensure supervision at all times.
- Stress the importance of never swimming alone.
- Swim safety lessons for all children who will be exposed to water.
- Learn to swim: If you get tired, knowing that you can turn over and float on your back to catch a breath, may mean the difference between life and death.
- Let someone know when you are going to swim.
- Never swim in a pool that you cannot see the bottom.
- Post and enforce of pool rules.
- Be ready for an emergency; have the proper water rescue devices, a first-aid preparedness kit and be able to perform CPR. Never try to go into the water to save someone. Use something that you can reach the victim with like a noodle, pool buoy, pole etc.
- Have phone access near the water area.

Your local YMCA, America's Favorite Swim Instructor, has been teaching children and adults to swim for more than 100 years. You not only learn to swim, they also provide personal safety, personal growth, water sports and games, and rescue techniques as well as providing a positive experience. Swimming is a life skill that all children should have the chance to learn. You can also find information at www.ymcahouston.org. Everyone have a safe and fantastic summer!

OAK CREEK VILLAGE COMMUNITY ASSOCIATION RECREATION REPORT

April 9, 2013 through May 15, 2013
Submitted by Elizabeth Davis

Our new bulletin board is up on the clubhouse and I've already loaded it up with important information. Stop by and check it out!

The pool is open and looks great! I have given out some pool passes and will be at the pool again this Sunday, 05/19 for residents to pick up their passes. I will send an email to everyone who has contacted me and let them know what time I'll be there.

Swim team would like to hold their grand reunion at the pool on Friday, June 14th beginning at 6:30 PM. They are aware they will need to pay for lifeguards if they remain in the pool area after 8 PM.

Reynolds Elementary will have their annual end of year party at the pool on Friday, May 31 from 3:00 PM to 5:00 PM. They anticipate about 50 people.

Regular weekday pool hours will begin the following week (Sunday, June 2).

I have begun making plans for the July 4th parade and will be looking for volunteers to help!

Reminder:

Iron kids camp dates: Mon, 06/10 thru Friday, 08/02 on Mon/Wed/Fri from 12-1:00

Swim team practices/meets
Home meets: 5/11, 5/18, 6/8, 6/15 possibly 6/22
Divisional Meet location TBD
Pool will open to residents following the meets on these dates.

CORNS AND HAMMERTOES

Corns are circular areas of thickened skin that sit on the top or the sides of the toes. Corns and Hammertoes are caused by pressure created by an enlarged piece of bone (bone spur) underneath the corn. If your toes are squeezed in your shoes with painful corns, give us a call.

BE WATER-WISE:

SAVE WATER - SAVE MONEY.

WASTE WATER - WASTE MONEY.

GENTLE REMINDERS ON SAVING WATER

OUTDOORS: • Automatic sprinkler systems should be programmed to water thoroughly but infrequently. • Set the sprinklers to come on at night or in the wee hours. This minimizes evaporation. • Equip the sprinkler system with a rain shutoff device. • Use drip irrigation systems for bedded plants, trees and shrubs. • When using a soaker hose turn it upside down so the holes are on the bottom, minimizing evaporation. • Never water on windy days. • If some of the water falls on the driveway or sidewalks, chances are that they will not produce a green lawn.
