OCV PRESIDENT'S LETTER

Dear Friends and Neighbors,

Let's hope we can get this newsletter back on track so you will have the pleasure of reading all the news once a month. Even though it's old news, I'd like to thank all of you who decorated your houses and yards for the holiday season, especially those who put red bows on your mailboxes. I even saw a fire hydrant wearing a Santa hat!

Last time I wrote I mentioned that Elizabeth needs help if we're going to have our special events. I think it's so important that I'm going to mention it again. There were only 4 people who helped her with Breakfast with Santa. I know we're all busy but if you want these events to continue, especially if you have kids who participate, please call her and ask how you can help.

The most pressing neighborhood appearance issue at this time is debris on roofs. By the time you get this, most of the leaves will have fallen and the pine needles will have dropped, so---- it's time to clean the roofs. Even if you don't care how it looks, the leaves and needles can inflict serious damage to your roof, and roofs are very expensive to replace. We have found someone who can do this job for you at a very reasonable cost, and if you will call me or Lou Bernard, we'll give you his name and number. We can't print it because that would be advertising.

Last, from time to time, people call me about a mailing they receive wanting to insure your water line from the meter box to the house. People, this is not necessary. Yes, if that line develops a leak, it is your responsibility to fix it, but it's not so expensive that you need insurance. Also, it doesn't happen very often.

Let's hope for an early spring and...

I'll see you around the neighborhood,

Sharon Kuester, prez

*Oak Creek Village
Garden Club*

On Tuesday, February 24th, Oak Creek Village Garden Club members and friends will head for the OCV clubhouse at 10:00 a.m. to create a spring wreath with instructions from Anita Cook. For the sum of \$10.00 Anita will provide the materials for each member who wishes to build her own wreath.

Gene Rasmussen will present an "Appreciation of Garden Club Presidents" past and present. If you have any 'memorabilia' from past garden clubs, Gene would appreciate a contact. Call her at 281-440-1249.

Our lunch will be at a fairly new Olive Garden located at 15770 I 45 @ N. Richey Rd.

One last thing...Our March program will require an advance reservation (\$31.00) to cover all tours and a 3 course lunch. Please pay in February at this meeting if you wish to attend.

For further information call Anita Cook...281-440-1093

**BE WATER-WISE:
SAVE WATER - SAVE MONEY.
WASTE WATER - WASTE MONEY.**

20,000,000 BOTTLES.

A company is advertising that 20 million bottles of its product has been sold. No one person ordered that many bottles but enough people bought a bottle or two until millions were sold. When someone repairs a leaky faucet water is saved. That is good. But if enough of the people do the same, multiplied gallons of water will be saved and each participant will save money. According to some projections about 1,000 people per day are moving to Texas. One of the best ways to make sure there will be enough water for everyone is for thousands, if not millions, of us Texans to be serious about saving water.

COLD WEATHER TIPS from Klein Volunteer Fire Department

Your local fire department wants you to remember that there are several things you can take in to your own hands to keep you and your family safe. Please review the tips below and practice them every single time.

- **Keep anything that can burn at least 3 feet away from heating equipment.**
- **Always plug portable heaters directly into an outlet; never an extension cord.**
- **Turn off space heaters every time you leave the room.**
- **Have your chimney inspected and cleaned every year.**
- **Place a sturdy screen in front of your fireplace to avoid sparks coming into the room.**
- **Dispose of fireplace ashes into a metal container; never a plastic container.**
- **Test smoke alarms monthly.**
- **Install a Carbon Monoxide alarm in your home per manufacture's instruction. Older homes often do not have this kind of alarm.**
- **Install a "damper clamp" on fire place dampers which have gas logs. This keeps the damper slightly open in the event a gas log is burning but the damper was not opened before it was lit.**
- **Change HVAC return air filters frequently to improve the efficiency of your furnace.**

The SeaWorld Fall By: Ariel Williams Age 11

"Wow" I gasped, "Shamoo is amazing!" As I saw him do his flips and 360 degree turns, my family and I were in awe. I was crunching on some delicious cheese crackers, and rocking my new Minnie mouse jacket. By the way, I was only about 3 or 4 years old. Okay, so it was the time, and I was anxious about Shamoo's humongous, gigantic SPLASH! The water hit me forcefully. I was shocked as the tears rolled down my plump cheeks. Overwhelmed, I threw up my cheese crackers all over my mom, cousin, and me. We left SeaWorld to get cleaned up, and the worst part was my Minnie Mouse jacket was ruined- but I still have it to this day. That was a time I was sad, happy, anxious, and scared. That was definitely a memorable time called the SeaWorld Fall.

Harris County

Sheriff's Office Patrol Bureau

A constant topic of concern in our area is vehicle traffic parked upon the roadways. Unless otherwise posted, it is lawful to park on a residential street with some guidelines. Before these are outlined it is important to also address the courtesy factors involved with this. Excessive traffic can lead to congestion on busier streets making it difficult for your neighbors to traverse the area. It also creates hazards when individuals are leaving their driveways. Another important consideration is the mail. A mail carrier will not (in many cases) leave their vehicle. If a vehicle is parked in such manner to obstruct a mailbox it can cause your neighbors to miss important correspondence.

If you act with courtesy and respect for others, you will likely be well within the guidelines below.

To be parked legally upon a roadway your vehicle must:

- Be parked with the flow of traffic
- Not be within 30 ft. of a stop sign
- Not be within 20 ft. of a crosswalk at an intersection
- Not be within 15 feet of a fire hydrant
- Be 18 inches or closer to the curb
- Your vehicle must have valid inspection and registration.
- Your vehicle must be in working order.

Constable Hickman, Chief Jim Sumner and all his staff appreciate the opportunity to serve you and encourage you to contact our office with any concerns. We are here to serve you.

Volunteers Needed!!

Are you looking for a way to give back to your community? Are you interested in meeting new and dedicated people? Please consider joining us as a volunteer with the Houston Northwest Medical Center Auxiliary!

This volunteer Auxiliary was founded in 1973 and has given over \$2 million in scholarships to young people in our area. With a commitment of only one 4 hour shift per week, volunteering allows you to retain your free time for travel, hobbies, gardening, etc. Our volunteers' duties include such jobs as patient dismissal, manning the Information Desk, working in the Gift Shop, etc. They also assist families in the Surgical Waiting area. Volunteering is a rewarding way to contribute to our community and is much appreciated by the patients, their families, and the hospital staff. Volunteers don't work for pay, but out of the goodness of their hearts! If you might be interested or would like to hear more, call the volunteer desk at the hospital, 281-440-2110, Monday through Friday, 8:30 a.m. to 4 p.m. We would love to have you become a part of our organization!

OAK CREEK VILLAGE COMMUNITY ASSOCIATION BOARD OF DIRECTORS MEETING MINUTES

JANUARY 13, 2015

The meeting was called to order at 7:35 by Sharon Kuester, president. Directors present were Sharon Ron Halk, Lloyd Bratton, Elizabeth Davis, A J Salinas Jon Whisler, and Tim Cooley. Residents present were Bill Taylor, Marilyn Bogle, Barbara and Bill Wolpert, Lou Bernard, and Jon and Jenni Olson.

There was a brief discussion about the improvements planned for the greenbelt, but it was decided we needed to wait until the pipeline people were finished and we had more information on costs and final plans.

The Maintenance report was read and improved. It was noted that we still needed to do something about the deteriorating fence along the park. Elizabeth said she would look into options and costs. Lou Bernard said she knew someone who would do the work. The report was approved.

Lloyd presented the Security report. He noted that there had been two incidents of cars stolen in late December, and a car-jacking that very day. Lloyd emphasized that we should all be aware of our surroundings, but not attempt to resist an attack. It was noted that OCV is still the safest subdivision in the area. A motion was made and approved to pay \$1,750 to have the three remaining electronic speed signs installed. Another motion was approved to spend up to \$1,000 for a lap top to program and regulate the signs. The report was approved.

Elizabeth gave the Recreation report and stated that although our subdivision events such as Breakfast with Santa, have been very successful, more people, especially those whose families attend, need to help organize and run them. She can't do it all. A motion was passed to approve the pool contract for 2015 at a cost of \$34,286.88. Another motion was passed to keep the pool open on weekends in May and September. Elizabeth's report was approved.

A J reported that major areas of concern at the present are leaves and pine straw on roofs and cars stored in driveways. He is also working on a couple of ongoing problems.

Jon presented the Treasurer's report and moved that the Board approve the legal document recording the new water easement. The motion was approved, as was his report.

Tim Cooley stated the he had approved a few uncontroversial improvement requests, and noted that there have been a lot of web site inquiries about maintenance fees. It seems some people didn't receive a bill.

Under Old Business, a motion was made to have our attorney negotiate with Dan Linehan regarding his invoice for services and drawings for new subdivision monuments. After much discussion, the motion passed. At the beginning of this discussion, Ron Halk distributed a letter of resignation, and left.

There was no further business and the meeting adjourned at 9:45.

Respectfully submitted,
Sharon Kuester, substitute secretary

OAK CREEK VILLAGE COMMUNITY ASSOCIATION MAINTENANCE REPORT

DECEMBER 2014

1. With Tim Cooley's help got the tennis court lock hasp welded and installed.
2. Provided latest undone Pipeline pick list to Mr Fava, he has met with them this past Monday evening.
3. Have purchased and dried lumber for the see-saw replacement along with most of the hardware to install it. Have not bought primer or paint for the job, it is too cold to paint.

Breakfast with Santa was fantastic again this year! Thank you to our Santa AJ Salinas and the volunteers who make it possible: Perry and Linda Graham and Brent and Brenda Barnett. These events would not be possible without these wonderful people!

I have signed the 2015 pool contract. The contract totals \$34,286.88 for the year, a slight increase from last years which was \$33,659.63 due to an increase in the cost of labor.

Heel Pain

Do you suffer from heel pain?
 Do the first steps out of bed
 cause you to limp or walk on
 your toes? If so, there is no longer
 any reason to suffer. Treatment for
 painful heel spurs has greatly improved
 and become less invasive. Relief
 can usually be obtained after one
 treatment. So if heel pain is
 cramping your style, don't despair,
 our doctors can help!

Nana was brought to our group when a family could no longer care for her. She is 1.5 years old and semi paralyzed on her back legs. She gets around just fine and she is super sweet too! We are not completely sure how she became paralyzed, but we were told as a young kitten she ran into a wall and broke her back. She has recently got a wheelchair which we hope will help her legs regain ability to walk again. She needs a patient home that will help her adjust to her wheelchair and love her unconditionally. We also are looking for a foster home for Nana while she waits for her forever home to come along.
